Praise the Lord

Praise be to my rock

Praise the Lord

Praise be to my rock

I will sing a new song to you Lord

Praise be to my rock

Play the song you gave me Lord

Praise be to my rock

Bow now thy heavens, oh Lord come down

Praise be to my rock

Touch the hills and make them blaze

Praise be to my rock

Praise the Lord

Praise be to my rock

Praise the Lord

Praise be to my rock

You reached your hand down to rescue me

Praise be to my rock

Claimed me as your child to be

Praise be to my rock

Praise the Lord

Praise be to my rock

Praise the Lord

Praise be to my rock

My voice will praise your name forever more

Praise be to my rock

You're the one that I adore

Praise be to my rock

Praise the Lord

Praise be to my rock

Praise the Lord

Praise be to my rock
